

Duraflo[®] 3-in-1 Roof Flashing

Knowing exactly what size vent pipes will be at a job site when you arrive is not always possible. With Duraflo[®] 3-in-1 roof flashing you carry 1 roof flashing in inventory instead of 3.

The Duraflo 3-in-1 is easy to use and creates a durable seal for all pipe sizes. By simply making a small cut and peeling away the inner rings as required, pipes sizes of 1-1/2" to 3" can be flashed and sealed perfectly.

3-in-1 Roof Flashing Pipe Size 1.5" to 3" (12/carton)

| Color | Part Number |
|---------------------|--------------|
| Black | 551233BL |
| Weatherwood | 551233WW |
| Black Bulk (40/ctn) | 551233BULKBL |
